

CLEANING AND MAINTENANCE INSTRUCTIONS

Magic Oil 2-K

1. INITIAL TREATMENT

After 12 hours of the oil application apply **Pallmann Magic Oil care** pure with a lint-free applicator (mop) in one direction and allow it to dry.

2. MAINTENANCE CLEANING

Remove dirt with a broom or vacuum cleaner.

Dilute app.150 ml **Pallmann Clean** with 10 litres water and mop the floor with a damp, **not wet mop**.

3. MAINTENANCE

Dilute 200 ml **Pallmann Magic Oil care** with 10 litres water and mop the floor with a damp, **not wet mop**.

Area	Maintenance Cleaning	Maintenance care	Thorough cleaning
Residential	The frequency of maintenance cleaning depends on the level of soiling and required hygiene	App. 2 month*	App. 12 month*
Office, corridors		App. 2-4 weeks*	App. 6 month*
Retail stores, schools		App. 8-12 days *	App. 2-3 month*

NOTE:

* The period for maintenance and thorough cleaning may vary, depending on the frequency

4. THOROUGH CLEANING

Dilute 200 ml **Pallmann Soap Care** with 10 litres water and mop the floor, high level soiling using a brush or rotary floor cleaner. Wipe the surface with clear water, and let it dry.

5. RE-OILING*

Should only be done after a thorough cleaning, in residential areas once a year, in commercial areas monthly / quarterly, depending on the level of traffic.

NOTE:

* The period for re-oiling may vary, depending on the frequency, there is no need to redo the whole floor, only the worn out area can be done.

6. SCRATCHES OR SCUFF MARKS

Whenever your floor shows some serious/major scratches, scuff marks or other mechanical damages it is simple to repair. Just ask your floorsander, he can repair the damage professionally without sanding back the whole area, only the patch can be done and you will barely see it. Another advantage of the **Magic Oil 2-K** !

The above advice on procedure for use is based on the best of our knowledge and the latest information available on cleaning technology. For this reason, when using our quality products, no damage will be incurred to the materials to be cleaned if strict attention is paid to the instructions printed on the container and the procedure suggested by us is followed. The use to which our products are put is, however, beyond our control. It is the responsibility of the user and does not release the user from making his own checks of the products supplied by us as to their suitability for the intended procedure and purposes. The information supplied by us is therefore non-binding and cannot be used as a basis for establishing the company's liability for any damage incurred. This also includes the infringement of any rights for the protection of third parties.
